RE: EB-2016-0245 - UNION GAS 2017 RATES APPLICATION

REQUEST & SUPPORT

We are writing on behalf of the Federation of Rental-housing Providers of Ontario (FRPO) in regard to the Notice of Application . The Application by Union Gas, pursuant to section 36 of the Ontario Energy Board Act, 1998, requests an order or orders approving or fixing just and reasonable rates and other charges for the sale, distribution, transmission and storage of gas effective January 1, 2017. The resulting rates impact members of the FRPO.

FRPO is Ontario's leading advocate for quality rental housing, representing over 800 private owners and managers who supply over 350,000 rental suites across the province. Our members strongly believe that the rental-housing sector is best served by a competitive marketplace that offers choice and affordability in the provision of energy services. As a not-for-profit organization, FRPO does not have other funding sources to ensure experienced representation to participate in and assist the Board in these regulatory proceedings. FRPO has previously assisted the Board in other matters and has been awarded costs by the Board. Therefore FRPO would respectfully request a determination of eligibility for cost award in this proceeding.

ISSUES

FRPO has participated in recent Union applications and desires to assist the Board in reviewing the application in light of the rate impacts that would be generated by this Application . FRPO represents the direct interest of its members who are impacted by changes to the regulated rates of Union Gas. Therefore, FRPO would respectfully requests to be involved in all aspects of the review of this Application. Specifically, FRPO is concerned with:

- The application of the IRM formula to generate 2017 rates
- Y factor adjustments
- Gas Supply elements
