Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

**Re: Comber Wind – Leave to Transfer Generation Licence (EB-2016-0251) –
Confirmation of Assignment of FIT Contracts**

We are counsel to Comber Wind Limited Partnership (the “Transferor”) and 2016 Comber Wind Limited Partnership (the “Transferee”). On August 18, 2016 the Transferor applied for leave of the Ontario Energy Board (the “Board”) pursuant to s. 18(2) of the *Ontario Energy Board Act* (the “Act”) to transfer its FIT electricity generation licence (EG-2010-0297) to the Transferee in connection with a corporate reorganization. On September 8, 2016 the Board issued a Decision and Order granting the application subject to it being provided with confirmation in writing that the IESO has assigned the Transferor’s two FIT contracts to the Transferee.

We hereby confirm the IESO has assigned the Transferor’s FIT contracts to the Transferee. The parties and the IESO have executed Assumption and Acknowledgement Agreements, made as of October 11, 2016. As the condition of approval set out in the Board’s Decision and Order has therefor been satisfied, it is the applicant’s expectation that the Board will finalize and re-issue the transferred licence in the name of the Transferee. Should you have any questions or require anything further, please do not hesitate to contact the undersigned.

Yours truly,

Jonathan Myers
