Dear Mr. van Stee:

**Re: Certificate of Compliance in Relation to Licence ER-2015-0138
EB-2010-0405**

I am writing in respect of the Certificate of Compliance filed by En-Powered Inc. on October 4, 2016 for the purposes of the condition of En-Powered Inc.'s licence as described in section 3 of Ontario Regulation 90/99 (Licence Requirements – Electricity Retailers and Gas Marketers).

Peter Fraser has, under delegated authority, completed the OEB's review of the Certificate of Compliance, and this letter acknowledges that the Certificate of Compliance has been completed and signed in accordance with the requirements of Ontario Regulation 90/99 and the Electricity Retailer Code of Conduct. This acknowledgement is provided for the sole purposes of paragraph 4 of section 3 of Ontario Regulation 90/99 and pertains exclusively to the form, content and signature of the Certificate of Compliance. It does not in any way constitute acknowledgement by the OEB of En-Powered Inc.'s actual compliance with any or all applicable legal and regulatory requirements.

The Certificate of Compliance indicates that En-Powered Inc. is not conducting retailing activities in respect of low volume consumers using the following channels as of September 22, 2016: Door-to-Door and Retailer's Place of Business. You are reminded that, as of that date, En-Powered Inc. may not conduct retailing activities in respect of low volume consumers using any of those channels until such time as you have filed

with the OEB the further Certificate of Compliance required by section 6.2 of the Electricity Retailer Code of Conduct and have received from the OEB written acknowledgement of it.

The acknowledgement set out in this letter is given effective October 17, 2016. This letter, together with your Certificate of Compliance, will be available for viewing at the OEB's offices and will be placed on the OEB's website.

Yours truly,
