Section 3. Supply of natural gas and billing

3.1 You are the Account Holder or the Account Holder's agent

You have told us that:

- a. you are the Account Holder for the Business; or
- b. the Account Holder has given you permission to enter into this Contract to supply natural gas to the Business.

3.2 Enrolling you as a new customer

Before we provide natural gas for the Business, we have to take two steps.

Step one: We must enroll you as a new customer. This may involve a standard credit check.

Step two: We will ask your Gas Utility to switch you to the Contract Price for the natural gas used in the Business. This switch is a change to the supply arrangement information on your Gas Utility account, and will not interrupt the natural gas service to the Business.

You agree that we can act as your agent for the purpose of asking your Gas Utility to switch you to the Contract Price and for the purposes of arranging for the supply of natural gas used in the Business and managing this Contract. You also agree that Your Gas Utility can give us information about the gas account for the Business that we need in order to enroll you and to manage this Contract.

3.3 Start date of supply

We will start supplying natural gas to the Business under this Contract after your Gas Utility has finished switching you to the Contract Price.

Normally, we will start supplying the Business under this Contract within 30 - 60 days from when the Gas Utility finish switching you to the Contract Price.

We do not control how fast your Gas Utility will do the switch. Some of the reasons why it can take longer for us to start supplying your natural gas are:

- a. Mistakes in the information that we have about You
- b. If your Gas Utility does not tell us they have done the switch
- c. If your Gas Utility takes longer than usual to do the switch for any other reason that we cannot control

3.4 Delivery and billing

Your Gas Utility will continue to deliver natural gas to the Business. They will also continue to read your natural gas meter.

Your Gas Utility will also normally continue to bill you on our behalf for natural gas supplied to the Business

under this Contract. Your natural gas bills will be sent to you in accordance with your Gas Utility's usual requirements and schedules for things like billing and payment dates and security deposits.

We reserve the right to bill you directly.

Section 4. Contract Price and other energy costs you will continue to pay

4.1 Agreement to buy from us

If You fail to pay Summitt's invoice on time, You will be responsible to pay an additional 1% interest per month (12% per year) on the unpaid amount, from the due date of payment until payment is received. You shall be responsible for all costs that relate to any failure to pay, including charges for dishonoured cheques, and all legal and collection costs.

You understand that Summitt or Your Gas Utility may revise any bill, if necessary, to account for any reassess-

ment of actual consumption usage by Your Utility. This may be done by Your Gas Utility conducting periodic meter readings, estimations, or allocations and Summitt will be entitled to charge You accordingly based on this information. Summitt can revise any bill after it is issued, regardless of payment by You, to account for any reassessment made by Summitt or by Your Gas Utility.

Section 5. Ending the Contract

5.1 You can change your mind about this Contract

The *Energy Consumer Protection Act* says that you have 10 days to change your mind about this Contract. This is called the “cooling off” period. It starts when you enter into this Contract. If you tell us that you have changed your mind in those 10 days, this Contract will end. You will not have to pay any Cancellation Fee. And if you paid us any money under the Contract, we have to give you a full refund.

5.2 You can end this Contract if...

The *Energy Consumer Protection Act* says that you can end or “cancel” this Contract for different reasons if you want to.

You can end this Contract up to 30 days after you receive the second bill that is charging you the Contract Price. You will not have to pay any Cancellation Fees. But you have to pay those bills.

You can also end this Contract for any of the 7 reasons below. You will not have to pay any Cancellation Fees:

1. If your Business moves to a different location.
2. If this Contract does not meet the rules in the *Energy Consumer Protection Act* or the rules set by the Ontario Energy Board.
3. If we did something that the *Energy Consumer Protection Act* says is an unfair practice. Some of the unfair practices are:
 - a. If we said something that is not true or that can mislead you
 - b. If you are not the Account Holder or the Account Holder’s agent
 - c. If we did not follow the Ontario Energy Board’s consumer protection rules
4. If you already had a contract with another energy retailer when you entered into this Contract. This right to end this Contract only exists until the day the other contract ends.
5. If the *Energy Consumer Protection Act* says that we have to record a telephone call or an internet transaction that we or someone acting for us have with you, and we do not give you a copy within 10 days after you ask for it.
6. If this Contract is changed, renewed or extended at a time when we have not given the Ontario Energy Board information that we must give them each year.
7. If we automatically renew or extend this Contract.

The *Energy Consumer Protection Act* also says that you can end this Contract at any other time for no reason. You have to give us 10 days’ notice that you want to end this Contract for no reason. In this case, we can charge you a Cancellation Fee (see Section 5.3).

Nothing in this Contract can take away or change any of the rights to end the Contract that the *Energy Consumer Protection Act* gives you.

5.3 Cancellation Fees

If you end this Contract for no reason more than 30 days after you receive the second bill that is charging you the Contract Price, we can charge you a Cancellation Fee. The maximum Cancellation Fee depends on how natural gas the Business used in the 12 months before you end this Contract.

The highest Cancellation Fee for gas is:

$\$0.05 \times [\text{amount of gas used in the Business in those 12 months} \div 12] \times \# \text{ of months or part months left to go in the Contract Length.}$

5.4 We can end this Contract if...

We can end this Contract for different reasons:

If You are in default under this Contract because You have not made any payments on or before the due date specified in any invoice issued by Your Utility or Summitt; If Summitt bills You directly, then (in addition to the defaults set out above) Summitt may terminate the Contract immediately if: (i) You make an assignment or arrangement for the benefit of, or protection from, any of Your creditors, or (ii) You take any action, or have any action taken on Your behalf, under any bankruptcy or insolvency law, or permit any material portion of Your assets to be made subject to any seizure or realization.

5.5 Early Exit Fees

If Summitt ends this Contract more than 30 days after you receive the second bill that is charging you the Contract Price, for reasons listed in Section 5.4, we can charge you an Early Exit Fee. The maximum Cancellation Fee depends on how much natural gas the Business used in the 12 months before you end this Contract.

The highest Cancellation Fee for gas is:

$\$0.05 \times [\text{amount of gas used in the Business in those 12 months} \div 12] \times \# \text{ of months or part months left to go in the Contract Length.}$

Section 6. Transferring the Contract

Summitt may, in its sole discretion, pledge, assign or otherwise transfer all or any of its rights or obligations under this Contract or any proceeds arising pursuant to this Contract without Your consent.
