Dear Ms. Kirsten Walli,

Re: EB-2015-0268

In the OEB's September 1st and December 1st 2016 Notice, the OEB indicated that it would require energy retailers to file a copy of all contracts intended to be used for the purpose of marketing/retailing to low volume consumers as of January 1st 2017 (later amended to January 31st 2017 in the December 2016 Notice).

Canadian RiteRate Energy Corporation (RiteRate) would like to advise the OEB that as of January 1st 2017, RiteRate ceased retailing to low volume consumers, and as a result has not filed contracts with the OEB. Development of a system for online verification is currently being considered/developed by the OEB. At the release of such Codes, RiteRate will file copies of its contracts with the OEB in advance of retailing to low volume consumers.

We thank you for your consideration in this matter. For further information, please feel free to contact me at the information below.

Sincerely,

Imran Noorani
