Reply Submission on Confidential Filings**

INTRODUCTION

Five Nations Energy Inc. (“FNEI”) filed a cost of service application with the Ontario Energy Board (“OEB”) on July 27, 2016 (amended on November 25, 2016) under section 78 of the Ontario Energy Board Act, 1998, SO 1998 c 15 (Schedule B), seeking approval for changes to its transmission revenue requirement effective January 1, 2016. FNEI recovers its approved revenue requirement through Ontario’s Uniform Transmission Rates.

FNEI filed certain information included in its evidence at Updated Exhibit 5 / Tab 1 / Schedule 3 (Charge Determinant Forecast) on a confidential basis in accordance with the OEB’s Practice Direction on Confidential Filings. FNEI explained that as it has a limited number of customers, revealing the information contained in the noted exhibit, even on an aggregate basis, would disclose confidential information about each customer.

In Procedural Order No. 1, dated February 7, 2017, the OEB granted OEB staff and intervenors the opportunity to file submissions on FNEI’s request for confidentiality, following which, FNEI was to serve and file its reply submission.

In accordance with Procedural Order No. 1, FNEI has set out its reply submission on the confidentiality request below.

FNEI REPLY SUBMISSION

FNEI received the OEB staff submission on the confidentiality request, dated February 14, 2017. The OEB staff had no concerns with FNEI’s request for confidential treatment of the information in question.

FNEI did not receive any submission on the confidentiality request from Energy Probe Research Foundation, which is the only other intervenor to this application.

FNEI has no further comment in this reply submission.

All of which is respectfully submitted.
