**Order**

Unified Energy Services LLC filed an application on January 19, 2017 with the Ontario Energy Board (OEB), under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) to amend its electricity retailer licence ER-2015-0357. The amended licence would allow the applicant to act as an agent or broker for electricity retailers and for electricity consumers in Ontario.

Unified Energy has been licensed by the OEB as a “large volume consumers only” electricity retailer since March, 2016. The applicant stated that it does not sell electricity to consumers directly and does not take title to the commodity, but does only act as an agent on behalf of licensed electricity retailers and electricity consumers.

I have considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

**IT IS ORDERED THAT:**

1. Unified Energy Services LLC’s electricity retailer licence ER-2015-0357 is amended. The amended licence is attached to this Order.
