Attention: Kristen Walli - Board Secretary

**Re: OEB File Number EB-2015-0304: Review of Misc. Rates and Charges –
Energy Retailer Service Charges**

Dear Ms. Walli,

Please consider this nomination letter for the working group relating to file **EB-2015-0304**.

Name of nominee: **Krista Perry – Billing Supervisor – Guelph Hydro Electric
Systems Inc. OEB Licence Number ED-2002-0565**

As an employee of Guelph Hydro, I have participated in many working groups and was on the original EBT working group to develop the language and processes of bringing the retailers onboard during the deregulated market opening in 2002.

I have worked on all EBT working group changes since market opening and believe that I can bring a historical view of the industry as well as be a meaningful participant in the market moving forward. The retailer service charges have not been reviewed since their inception and I would appreciate the chance to have input in the future direction of Energy Retailer Service Charges.

Sincerely,

A handwritten signature in blue ink that reads "K Perry".

Krista Perry
Billing Supervisor
Guelph Hydro Electric Systems Inc.
