**Re: Planet Energy – Notice of Intention to Make an Order for Compliance
OEB File Number EB-2017-0007**

On June 26, 2017, the Ontario Energy Board (OEB) issued Procedural Order No. 2, which set out certain procedural steps for a motion for production brought by Planet Energy.

On June 29, 2017, counsel for the OEB Enforcement Team wrote to the OEB requesting that the Procedural Order be amended to provide the four individuals named in Planet Energy's notice of motion with an opportunity to respond to the motion. Counsel for Planet Energy then wrote to the OEB to support the request.

The OEB has therefore amended the Procedural Order. The amended Procedural Order allows the four individuals to make written submissions, if they wish, by July 14, 2017. They are also entitled to participate in the oral hearing of the motion, the date for which has not yet been set. In addition, in response to the suggestion by Planet Energy, the amended Procedural Order states that service of any document in connection with the motion may be effected by e-mail.

If any of the four individuals have any questions about the amended Procedural Order, they may contact the Case Manager, Michael Bell, at Michael.Bell@oeb.ca, or OEB Counsel, Ian Richler, at Ian.Richler@oeb.ca.

Yours truly,
