

**ONTARIO ENERGY BOARD**

**IN THE MATTER OF** the *Ontario Energy Board Act, 1998*, S.O. 1998, c.15, Schedule B;

**AND IN THE MATTER OF** a review by the Ontario Energy Board of the DSM plans of Union Gas and Enbridge Gas Distribution.

**NOTICE OF INTERVENTION**

**OF THE**

**SCHOOL ENERGY COALITION**

1. The School Energy Coalition (“SEC”) applies for intervenor status in this proceeding.
2. SEC is a frequent intervenor in Board proceedings. Our current Annual Filing can be found on the Board’s website, here:

<http://www.rds.ontarioenergyboard.ca/webdrawer/webdrawer.dll/webdrawer/rec/462191/view/>

3. The School Energy Coalition intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

**Issues to be Addressed**

4. SEC’s intended participation will focus on the following issues:
  - a. The scope of the issues to be addressed in the proceeding;
  - b. The interaction between DSM programs and Cap and Trade obligations
  - c. Evaluation results, the process of getting to those results, and studies prepared by or on behalf of the Board and the utilities
  - d. Net to gross results and implications for program design
  - e. Market transformation programs
  - f. Scorecard metrics and in particular the interaction between metrics and program design
  - g. Incorporation of DSM into infrastructure planning activities
  - h. Program and portfolio overheads
  - i. Integration of DSM and CDM programs; and
  - j. Generally to represent the interests of school boards and their students in this process.

**The Intervenor's Intended Participation**

5. SEC intends to participate in any pre-hearing procedures, including interrogatories or technical conferences, and settlement conferences. SEC also intends to participate in any oral hearing of this matter, and in written or oral submissions, as well as any other parts of the

process that the Board should order. Depending on the timing and development of the issues, SEC may retain experts on issues in which SEC feels it can add additional value.

**Nature of Hearing Requested**

6. Until reports have been filed and interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.

**Counsel/Representative**

7. SEC requests that a copy of all documents filed with the Board by each party to this proceeding be served on the intervenor, and on the intervenor's counsel, as follows:
