Parties to EB-2016-0152

**Re: Ontario Power Generation Inc.
2017-2021 Payment Amounts
File Number EB-2016-0152**

The OEB received submissions with confidential, redacted text from OEB staff and the School Energy Coalition (SEC). The OEB also received a submission with a confidential schedule from the Association of Major Power Consumers in Ontario. On June 19, 2017, OPG filed a letter stating that its reply submission included confidential information as some of the parties had cited confidential information in their submissions. OPG sought confidential treatment for the redacted text in the reply submission.

The OEB has reviewed the submissions, including the recently revised submissions filed by OEB staff and SEC. The OEB is satisfied that all the confidential information refers to or is consistent with information for which the OEB has previously granted confidential treatment, and therefore will be treated as confidential.

Yours truly,
