RE: Review of Miscellaneous Rates and Charges -- Energy Retailer Service Charges OEB File Number: EB-2015-0304

Ag Energy Co-operative Ltd. is writing in response to the Ontario Energy Board's letter dated May 31, 2017 inviting interested parties to participate in the working group to review Energy Retailer Service Charges OEB File Number EB-2015-0304.

Ag Energy is a licensed electricity retailer and gas marketer and has been operating in Ontario for over 29 years. As such, we would like to be engaged in the review process. As the only energy co-operative we believe we would provide a unique perspective in addition to our retailer/marketing expertise.

We want Katie Morrow to represent Ag Energy Co-operative in this working group. Her information can be found below:
