Dear Ms. Walli:

RE: Review of Miscellaneous Rates and Charges – Energy Retailer Service Charges OEB File Number: EB-2015-0304

Just Energy Ontario L.P. (“Just Energy”) is writing in response to the Ontario Energy Board’s letter dated May 31, 2017 requesting nominations to participate in the working group to review Energy Retailer Service Charges.

Just Energy would like to nominate itself, represented by Frances Murray, as a participant in said working group. Ontario is an important market for Just Energy and the outcome of this matter has a direct impact on its operations as an Energy Retailer. In addition, the knowledge gained through its 20 years of experience and expanding geographical footprint will be useful during this review exercise.

Just Energy has undergone an internal personnel change which resulted in the oversight of the May 31, 2017 notice. We regret our delayed response and ask for your compassion and consideration of our request for participation.

Thank you in advance. Should you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Frances Murray".
