**Order**

Powin Canada B.C. Ltd. (Powin Canada) filed an application on July 25, 2017 with the Ontario Energy Board (OEB), under section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) to amend its Electricity Storage Licence ES-2017-0103.

The current name on the licence is Hecate Energy Ontario Storage II, LP. The requested amendment is to change the name that appears on the licence to Powin Energy Ontario Storage II, LP and to add two authorized trade names to the licence. The amendment is requested to reflect the administrative name change as a result of change in ownership of the licensee. The documents supporting the name change were provided with the application. There are no other changes to the licence and all other provisions remain the same.

The application is considered without holding a hearing pursuant to section 6(4) of the OEB Act. The OEB finds that it is in the public interest to amend the licence.

**IT IS ORDERED THAT:**

Powin Canada B.C. Ltd.'s application for amending its Electricity Storage Licence ES-2017-0103 is granted. The amended Licence is attached to this Order.
