Attention: Kirsten Walli,
Board Secretary

Dear Ms. Walli:

Re: Intervenor Status and Cost Eligibility Request on Behalf of the Building Owners and Managers Association of Greater Toronto (BOMA) for EB-2017-0024: Alectra Utilities Corporation, 2018 EDR Application

The Building Owners and Managers Association of Greater Toronto ("BOMA") seeks intervenor status and cost award eligibility in the above noted proceeding.

BOMA represents over 800 Ontario Property and Facility Owners, Managers, Developers, Leasing Agents, and Commercial Real Estate Professionals. Its members account for 80 per cent of all commercial and industrial real estate companies in the Greater Toronto Area and throughout the province. BOMA's members are large consumers of electricity in Ontario, particularly in its major cities, and are affected by any changes in Alectra's rates and terms of service.

Over the years, BOMA has been active in protecting and advancing the interests of its members on such important policy issues as energy pricing and supply, property taxes, labour requirements, building materials and equipment regulations. BOMA continues to work at all levels of government providing a voice for Commercial and Institutional Property owners in the Greater Toronto Area and throughout Ontario.

BOMA has been a constructive participant in numerous previous electricity cases, including the proceeding which approved the Horizon five year IRM framework (EB-2014-0002), and the Merger Application (EB-2016-0025). As a representative of a large sector of energy consumers in Ontario, the commercial and institutional building owners, BOMA seeks a cost award in this proceeding. BOMA requests that further communications with respect to this matter be sent to the following parties:
