Attention: Ms. Kirsten Walli, Board Secretary

Dear Ms Walli:

Re: EB-2017-0024/Alectra Utilities Corporation (“Alectra”)

We are counsel to the City of Hamilton. By this letter we apply, on behalf of our client, for intervenor status in the hearing of the application of Alectra for approval of rates for the Horizon Rate Zone for the period beginning January 1, 2018.

Our client is a customer of Alectra, paying rates for the provision of street lighting services in the Horizon Rate Zone. Alectra’s application will have an impact on those rates. Our client has, therefore, a material interest in the outcome of the application.

As the Board will be aware, our client was an active participant in earlier applications of Horizon Utilities Corporation. In those applications our client has addressed, among other things, the components of the formulae by which the rates for street lighting services are established. Our client intends to pursue those issues in the Alectra application, to the extent that they bear on the Horizon Rate Zone.

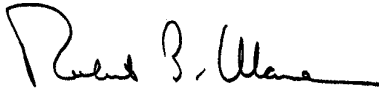

Our client intends to participate actively in all aspects of the hearing of the application. In addition, our client intends to apply for an award of costs for its participation.

Copies of all written materials filed in connection with the application should be provided to the writer at the address indicated below, and to Gord McGuire at the following address:
