Dear Ms. Walli,

**Re: OPG Application – EB-2017-0024 – Alectra Utilities Corporation**

We are retained to act as counsel to Power Workers' Union.

By way of this letter, the Power Workers' Union ("PWU") is requesting Intervenor status in the Board's proceedings with respect to the above-noted application.

The PWU represents a large portion of the employees working in Ontario's electricity industry (including the employees of the Applicant) and has utmost interest in regulatory proceedings that impact the provision of electricity service adequacy, reliability and safety to customers. Attached please find a list of PWU employers.

The PWU intends to be a full-time intervenor and will participate in all aspects of the hearing. The PWU's concern is OPG's ongoing ability to maintain and invest in its assets in a manner that ensures their long term reliable and safe operation, as well as the safety of OPG's employees.

The PWU has retained Richard Stephenson of Paliare Roland for legal representation and Bayu Kidane and Kim McKenzie of Elenchus Research Associates as consultants in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:
