Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. (“Enbridge”)
2018 Rate Adjustment Application (“Application”)
Ontario Energy Board (“Board”) File Number EB-2017-0086**

Further to Enbridge’s letter and Application dated August 31, 2017, enclosed please find two copies of Enbridge's Application and Evidence for an Order or Orders approving or fixing just and reasonable rates for the sales, distribution, transmission and storage of gas commencing January 1, 2018.

Enbridge has not included any rate impacts in relation to the Cap and Trade program within this rate application. Approval of the Cap and Trade program rate impacts, within the Cap and Trade compliance plan, will be required in sufficient time to allow for incorporation into January 1, 2018 rates.

Enbridge will request approval of matters related to the impacts of the Cap and Trade program (including, without limitation, Cap and Trade Unit Rates and the methodology used to derive the Unit Rates, as well as necessary deferral or variance account treatments) within Enbridge’s 2018 Compliance Plan currently anticipated to be filed by October 12, 2017.

The Application and Evidence has been filed through the Board’s Regulatory Electronic Submission System and will be available on the Enbridge website at:
www.enbridgegas.com/ratecase.
