## Decision and Order

Potentia Solar 12 GP Inc. on behalf of Potentia Solar 12 Limited Partnership filed an application on July 21, 2017 with the Ontario Energy Board (OEB), under section 60 of the *Ontario Energy Board Act, 1998* (the Act) for an electricity retailer licence. The licence would allow the applicant to retail electricity to large volume consumers in Ontario.

A Notice of Application and Written Hearing was posted on the OEB's website on August 10, 2017. The Notice provided time for submissions on the application evidence, as well as responses from the applicant. No parties responded to the Notice.

This Decision and Order is being issued by Delegated Authority, pursuant to Section 6 of the Act.

After considering the application, the OEB finds it to be in the public interest to issue the electricity retailer licence under Part V of the Act to Potentia Solar 12 GP Inc. on behalf of Potentia Solar 12 Limited Partnership.

### IT IS ORDERED THAT:

1. The application for an electricity retailer licence (large volume consumers only) is granted, on such conditions as are contained in the attached licence.
