Attention: Ms. Kirsten Walli, Board Secretary

Dear Sirs/Mesdames:

South Bruce Expansion – CIP Proposals
EB-2016-0137/0138/0139 – EPCOR Correspondence

EPCOR Southern Bruce Gas Inc. (“EPCOR”) is in receipt of the letter from Union Gas’ counsel dated October 25, 2017. EPCOR disagrees with the statements made in the letter, and in particular the assertion that volume had consistently been referred to as meaning consumption throughout the Board process to date. Further, EPCOR does not believe that the differences between each party’s CIP proposal should be debated through these types of unsolicited letters to the Board. As EPCOR stated previously in its letter dated October 20, 2017, it is willing to provide the Board with any additional information that the Board may require regarding consumption numbers.

Sincerely,

Richard J. King
