Dear Ms. Walli:

**Re: EB-2016-0024 Alectra Utilities Corporation
Submission on Recording Details for New Accounts -VECC**

Procedural Order No. 3 provides for submissions with respect to new accounts being established for the purpose to tracking Alectra's changes in capitalization policy.

VECC has reviewed the submissions of the Applicant, Board Staff, BOMA and the Schools Energy Coalition (SEC). VECC supports and endorses the submissions of SEC. The purpose of any new deferral account should be at this juncture to hold whole the ability of the Board to order any argument that might be put forward by a party to the proceeding. In our view the proposal of SEC best achieves this objective.

Yours truly,

Mark Garner

On behalf of VECC
