Dear Ms. Walli:

**Re: EB-2017-0224– Enbridge Gas Distribution Inc.
2018 Cap-and-Trade Compliance Plan – Extension Request**

Pursuant to the letter issued by the Ontario Energy Board (“OEB”) to Enbridge Gas Distribution Inc. (“EGD”) on December 14, 2017 EGD is requesting an extension of time to file an update to its 2018 Cap-and-Trade Compliance Plan Application until January 8, 2018.

In its Letter, OEB Staff stated that in its view certain portions of the Strictly Confidential version of the Application are not clearly prohibited disclosures and should be reconsidered by Union for inclusion in the public version of its Application. As per the request of OEB Staff, EGD will file an update to the redactions in its Application with the OEB and on the OEB’s RESS by January 8, 2018. This extension will afford EGD time to adequately consider and reflect the recommendations submitted by OEB Staff.

In the event you have any questions on the above or would like to discuss in more detail, please do not hesitate to contact me at 416-495-6350.

Yours truly,
