**Re: Review of Miscellaneous Rates and Charges  
Policy Consultation of Wireline Pole Attachment Charges  
OEB File Number EB-2015-0304**

On December 22, 2017, the Ontario Energy Board (OEB) received a letter from Rogers Communication Canada Inc. on behalf of itself and all of the other carrier companies listed in Appendix A of the OEB's Draft Report issued on December 18, 2017. The letter requests an extension to the date for filing comments on the Draft Report from January 22, 2018 to February 28, 2018.

The OEB will extend the date for filing comments on the Draft Report for all interested stakeholders to January 31, 2018. In the OEB's view, this will allow sufficient time for all interested stakeholders to prepare comments.

Any questions relating to this consultation should be directed to the Case Manager, Michael Lesychyn at [Michael.Lesychyn@oeb.ca](mailto:Michael.Lesychyn@oeb.ca).

Yours truly,
