**Re: Review of Miscellaneous Rates and Charges  
Policy Consultation of Wireline Pole Attachment Charges  
OEB File Number EB-2015-0304**

On January 5, 2018, the Ontario Energy Board (OEB) received letters from the Independent Telecommunication Providers Association and the Canadian Cable Systems Alliance. In their letters, both groups requested a further extension to the date for filing comments on the Draft Report from January 31, 2018 to February 14, 2018.

The OEB has considered this latest request and will extend the date for filing comments on the Draft Report for all interested stakeholders to **Friday, February 9, 2018**. In the OEB's view, this second extension will allow sufficient time for all interested stakeholders to prepare comments.

Any questions relating to this consultation should be directed to the Case Manager, Michael Lesychyn at [Michael.Lesychyn@oeb.ca](mailto:Michael.Lesychyn@oeb.ca).

Yours truly,
