Dear Mr. Denomy:

**Re: Enbridge Gas Distribution Inc. (Enbridge Gas)
Liberty Village Pipeline Project
Ontario Energy Board (OEB) File No.: EB-2018-0096**

On April 6, 2018, Enbridge filed an application with the OEB seeking an order granting leave to construct a natural gas distribution pipeline in the Liberty Village area of the City of Toronto.

In a letter dated May 15, 2018, Enbridge Gas informed the OEB that its application did not include information related to an 85 metre segment of the proposed natural gas pipeline. Enbridge Gas expects to update the original application and Environmental Report to include the missing information by June 13, 2018.

The OEB will place the application in abeyance until the filing of the noted updates.

Yours truly,
