**BY COURIER (2 COPIES) AND RESS**

**Ms. Kirsten Walli**

Board Secretary  
Ontario Energy Board  
2300 Yonge Street, Suite 2700, P.O. Box 2319  
Toronto, Ontario M4P 1E4

Dear Ms. Walli:

**Re: EB-2017-0224 – Enbridge Gas Distribution Inc. (“Enbridge”)  
EB-2017-0255 – Union Gas Limited (“Union”)  
2018 Cap and Trade Compliance Plans**

I am writing on behalf of Environmental Defence and the Green Energy Coalition to submit an updated copy of the evidence of Chris Neme with the correction detailed in Mr. Neme’s response to the Board Staff’s first interrogatory to him (ex. GEC/ED.STAFF.1). This copy of the evidence is identical to the original version previously filed except that the figure of “\$9 million” has been replaced with “\$18 million” at page 8, line 4 and page 34, line 7.

This updated copy is being provided for ease of reference so that the Board will not need to refer to an interrogatory response to fully understand Mr. Neme’s evidence. This does not represent a new correction as this correction was already detailed in an interrogatory response (ex. GEC/ED.STAFF.1) and in oral testimony (Transcript Vol. 4, p. 65, lns. 17 to 23).

Yours truly,

Kent Elson
