PROCEDURAL ORDER NO. 2

June 1, 2018

The Corporation of the Town of Collingwood (Town) and EPCOR Collingwood Distribution Corp. (EPCOR) filed applications on December 27, 2017 under section 86(2)(b) and section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B) (Act).

The Town and EPCOR have requested approval under section 86(2)(b) of the Act for two share purchase transactions that result in EPCOR becoming the new owner of Collus PowerStream Corp. (Collus). The Town will first purchase the shares of Collingwood PowerStream Utility Services Corp. (Collus Holdco), the holding company of Collus, currently owned by Alectra Utilities Corporation. EPCOR will then purchase all of the shares of Collus Holdco from the Town.

EPCOR has also requested approval under section 78 of the Act for a one percent reduction in Collus' 2017 electricity distribution rates for residential customers, to be in effect for five years from the completion of the transactions.

In the Notice of Hearing issued on February 13, 2018, the OEB determined that it will hold a combined public hearing to consider the applications filed. In Procedural Order No. 1 issued on April 4, 2018, the OEB approved SEC as an intervenor and made

provision for interrogatories and interrogatory responses. Interrogatories were filed by OEB staff and SEC on April 19, 2018 and responded to by the applicants on May 3, 2018.

The OEB considers it is necessary to make provision for the following matters related to this proceeding. The OEB may issue further procedural orders from time to time.
