DECISION AND ORDER

Rayonier A.M. Canada G.P. (Rayonier) filed two separate applications on May 22, 2018 with the Ontario Energy Board (OEB) pursuant to section 74 of the *Ontario Energy Board Act, 1998* (OEB Act) to amend electricity generation licence EG-2003-0189 and to amend electricity wholesaler licence EW-2014-0384. The OEB has combined the applications into one proceeding, pursuant to section 21(5) of the OEB Act.

The current name on the licence EG-2003-0189 is Tembec General Partnership. The current name on the licence EW-2014-0384 is Tembec – Kapuskasing Operation. The applicant stated that as a result of an acquisition of Tembec Inc. by Rayonier Advanced Materials Inc. that was completed on November 20, 2017, certain legacy Tembec entities, including the current licensees, undergone name changes to help facilitate the integration of Tembec and Rayonier Advanced Materials for the purpose of administrative uniformity and for a name and brand consistency. The applications request amendments to both licences to change the names of the licensees to Rayonier A.M. Canada G.P. to reflect a change in the legal name of the licensees that occurred on May 31, 2018.

The applicant stated that apart from the corporate name change, all other information related to the licensed entities remains the same.

This Decision and Order is being issued by the Delegated Authority without a hearing pursuant to section 6 of the OEB Act.

The OEB has considered the applications and given that there is no change in any other respects to the licensed entities, finds that it is appropriate to amend the licences to reflect the change in the names of the licensees.

IT IS ORDERED THAT:

1. The name on electricity generation licence EG-2003-0189 and on electricity wholesaler licence EW-2014-0384 is amended to be Rayonier A.M. Canada G.P. The amended licences are attached to this Decision and Order.
