Please check the appropriate box:

- We will be able to provide comments to the Environmental Assessment and Permissions Branch by **October 7, 2018** (please note that comments received after this date may not be considered in the approval process).

- We are satisfied the proposed Terms of Reference will address our mandate, but wish to be involved in the preparation of the EA (with reference to the proponent's proposed schedule and/or components of the EA work plan, please indicate below when you wish to be contacted).

- We have no comments and do not require any further involvement with this proposal.
