NextBridge Reply Submissions (Development Costs) – Extension Request
OEB File Numbers: EB-2017-0182 (combined with EB-2017-0194 and EB-
2017-0364**

Pursuant to Procedural Order No. 3 on Combined Hearing, NextBridge was required to file its reply submissions pertaining to its development costs and serve it on all parties by September 26, 2018.

On September 26, 2018, the OEB received NextBridge's letter requesting an extension to the deadline for NextBridge to file its development costs reply submissions by two days. NextBridge stated that it has had only a limited amount of time to prepare its reply submissions and that NextBridge needed additional time in order to file its reply submissions.

The OEB grants an extension to the deadline for NextBridge to file its development costs reply submissions. NextBridge shall file its reply submissions pertaining to its development costs and serve it on all parties by **12:00 P.M. on Friday, September 28, 2018.**
