Ottawa River Power Corporation applied to raise its electricity distribution rates effective May 1, 2019.

Learn more. Have your say.

Ottawa River Power Corporation applied to the Ontario Energy Board to raise its electricity distribution rates effective May 1, 2019. If the application is approved, a typical residential customer of Ottawa River Power Corporation would see an increase of approximately \$0.61 per month. Other customers, including businesses, may also be affected.

The requested rate increase is set using an OEB-approved formula which is tied to inflation and other factors intended to promote efficiency. The requested rate increase also includes a request for incremental funding for a new substation to serve current and future growth in the Almonte area.

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Ottawa River Power's request. We will determine whether the company has used the applicable models and formulas required by the OEB and whether to approve Ottawa River Power's request for incremental funding for a new substation in the Almonte area. We will also hear questions and arguments from individual customers and from groups that represent Ottawa River Power's customers. At the end of this hearing, the OEB will decide what, if any, rate changes will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
