Dear Ms. Walli:

**EB-2018-0190 - Wataynikaneyap Power LP Application for Leave to Construct New Transmission Lines and Associated Facilities in Northwestern Ontario – Interrogatory Extension Request**

---

Procedural Order No. 1 to this application, requests that intervenors file any interrogatories with the Ontario Energy Board by November 12, 2018. Hydro One Remote Communities Inc. (“Remotes”), is requesting a 2-day delay in submission of its interrogatories. Currently only the IESO and Remotes are registered intervenors. Remotes wants to ensure that it has enough time to review the application and the presentation delivered by Wataynikaneyap Power on November 2, to properly form its questions to assist the Board in assessing this application.

An electronic copy of this has been filed through the Ontario Energy Board’s Regulatory Electronic Submission System (RESS).

Sincerely,

ORIGINAL SIGNED BY JOANNE RICHARDSON
