INTRODUCTION AND SUMMARY

Union Gas Limited (Union) filed an application dated September 11, 2018, with the Ontario Energy Board (OEB) for an order or orders approving or fixing just and reasonable rates and other charges for the sale, distribution, transmission and storage of natural gas commencing October 1, 2018 (the application).

The Decision and Interim Order was issued on September 27, 2018 which, among other things, directed eligible parties to file their cost claims with the OEB and Union no later than October 10, 2018. Union had until October 17, 2018 to object to any aspect of the costs claimed. Any responses to Union's concerns were to be filed with the OEB and Union by October 24, 2018.

The Canadian Manufacturers & Exporters and the Industrial Gas Users Association filed cost claims with the OEB and copied Union.

On October 16, 2018, Union filed a letter stating that it had no objection to the cost claims.

OEB Findings

I have reviewed the cost claims filed and found them to be reasonable and find all parties to be entitled to 100% of their reasonably incurred costs of participating in this proceeding.
