**Re: DSM Evaluation – Technical Resource Manual Update  
EB-2015-0245**

The Ontario Energy Board (OEB) has posted the updated Technical Resource Manual (TRM). The update was completed by the OEB's Evaluation Contractor. The revised TRM includes updates to input assumptions used to calculate natural gas savings resulting from Enbridge Gas Distribution Inc. and Union Gas Limited prescriptive demand side management programs.

Questions about the TRM should be directed to Josh Wasylyk at [josh.wasylyk@oeb.ca](mailto:josh.wasylyk@oeb.ca) or 416-440-7723.

Yours truly,

*Original Signed By*

Kirsten Walli  
Board Secretary
