To Whom it may concern, Re Case **#EB-2018-0270** regarding **Hydro One purchasing Orillia Power.**

I live in Orillia Ontario, and am a taxpayer to this city. I am very concerned over the idea that Hydro One may take over our Orillia Power Corporation. It is well known that Hydro One raises their rates far beyond what most seniors can pay. **My husband and I are totally opposed to Hydro One purchasing Orillia's Orillia Power Corporation. We want to stay with Orillia Power and do NOT want Hydro One serving us in Orillia.**

Sincerely,

Mrs. Linda L. Nurse
