To Whom it May Concern,

I write to express that I am against Ontario Hydro purchasing the Orillia Power Distribution. The Ontario Energy Board has seen fit to deny this purchase in the past and for good reason. You have decided that it would not be in the best interest of Orillia or the province to approve this sale. And I believe in your decision and the reasons for it. Please uphold your previous decision to be against this application.

Thank you in advance,
Melissa Launchbury
