Comments: Please continue on the back of the form if necessary. In making your comment, please consider telling us what you like and do not like about the application, what you think could be improved or what you think is missing. Please tell us how you are impacted by the requested changes.

I'm concerned by the transmission poles (high tension) crossing residential area (like South Etobicoke) with risk of Cancer.

Also the risk related to 30+ old nuclear plant and the safety gap for extreme populations not sensitized or distribution the RADBLOCCK pills.
