Dear Mr. Wynsma:

Re: Campbellford Seymour Electric Generation Incorporated- Electricity Generation Licence EG-2003-0111

On January 15, 2019, Campbellford Seymour Electric Generation Incorporated (Campbellford) requested the OEB to amend the municipal address of the two generation facilities currently listed in Schedule 1 of the above referenced licence to the following:

870 County Road #38, Trent Hill, Ontario.

Campbellford also requested to revise the name of one facility from Campbellford Generating Station Plant #2 to Campbellford Seymour Generating Station #2.

The OEB amended the address of each facility listed in Schedule 1 of the licence EG-2003-0111 as well as the name of the facility #2 in accordance with your request, and the amended Schedule 1 is attached to this letter.

If you have any questions, please direct them to Irina Kuznetsova, Advisor, at 416-440-8138 or by e-mail irina.kuznetsova@oeb.ca.

Yours truly,
