Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

**Re: Wataynikaneyap Power LP - Leave to Construct (EB-2018-0190)
– Applicant Responses to Supplemental Interrogatories**

We are legal counsel to Wataynikaneyap Power GP Inc. and Wataynikaneyap Power LP (together, “WPLP”) in connection with the above-referenced application. On December 14, 2018 the Ontario Energy Board (the “Board”) issued Procedural Order No. 2, which provided an opportunity for Intervenor and OEB staff to file supplemental interrogatories by December 21, 2018. Enclosed are WPLP’s responses to the supplemental interrogatories received from OEB Staff and Hydro One Remote Communities Inc. (“HORCI”) on December 21. These materials have been filed on RESS and copies are being provided to all parties.

Please note that some of the interrogatories requested information relating to activities not under WPLP’s control. In an effort to provide complete responses, WPLP sought and received information and helpful input from OSLP, the IESO and Ontario. WPLP appreciates the assistance they each provided.

Yours truly,

Jonathan Myers
