Dear Ms. Walli,

**RE: EB-2018-0218 Application by Hydro One Sault Ste Marie  
Letter requesting extension of filing deadline**

Energy Probe is requesting that the deadline for filing of interrogatories on the report by the Pacific Economics Group ("PEG") be extended by two days from February 26 to February 28, 2019.

Energy Probe discovered this afternoon that it had not been provided by OEB Staff with all of the working papers used by PEG in the production of this report. We have contacted OEB Staff and they have agreed to provide the missing working papers to Energy Probe on the morning of Tuesday, February 26. As the interrogatories on the PEG report are due by the end of day on February 26 as set out in Procedural Order No.4, this may not allow us enough time to analyze the working papers and prepare our interrogatories. We are therefore requesting a two day extension to Thursday, February 28.

Respectfully submitted on behalf of Energy Probe.
