Dear Mr. Ott:

**Re: Enbridge Gas Inc. (Enbridge Gas)  
April 1, 2019 QRAM Application – Correction  
Ontario Energy Board (OEB) File Number EB-2019-0095**

This will acknowledge receipt of your letter dated March 28, 2019 informing the OEB of an error in rate C1 relating to “Union Supplied Fuel and Commodity” charges. The OEB understands that the rate C1 schedule has been corrected, and that no customers were impacted as Enbridge Gas currently has no active C1 customers electing the Union Supplied Fuel option. Pursuant to section 41.02 of the OEB’s Rules of Practice and Procedure, the OEB will amend the Decision and Interim Rate Order dated March 25, 2019 to correct this error.

Yours truly,

*Original Signed By*

Kirsten Walli  
Board Secretary
