Kirsten Walli
Board Secretary
Ontario Energy Board
P.O. Box 2319
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Walli:

Please find enclosed the Application Form for Applications under Section 86 of the Ontario Energy Board Act, 1998.

The company discovered during the course of its 2019 COS Application that it had inadvertently failed to obtain the Board's leave to amalgamate under s. 86 (1) (c) of the OEB Act, and that accordingly the company is filing the attached application in order to obtain the required leave. The company respectfully requests that the application be heard in conjunction with its COS Application for 2019 rates, EB-2018-0087, so that the request for leave can be determined at the same time the Board considers the company's request for 2019 rates.

Thank you for your consideration,
