Dear Mr. Myers:

**Re: Wataynikaneyap Power LP  
Application for Leave to Construct Transmission Facilities  
Ontario Energy Board File Number EB-2018-0190**

On April 18, 2019, you filed a letter with the Ontario Energy Board (OEB) on behalf of Wataynikaneyap Power LP requesting that the OEB clarify paragraph 7 of the Order section of the Decision and Order of April 1, 2019. You expressed the concern that paragraph 7 might be read as being inconsistent with the OEB's findings in respect of CWIP interest rates, because unlike the body of the Decision and Order, it does not clearly distinguish between debt that is incurred on an arm's length basis and debt that is incurred on a non-arm's length basis.

The OEB agrees that, as worded, paragraph 7 did not fully capture the OEB's intent, as explained in the body of the Decision and Order. The OEB has therefore, pursuant to Rule 41.02 of the OEB's *Rules of Practice and Procedure*, made the revision you requested to paragraph 7. The revised Decision and Order is attached.

Yours truly,
