Re: Board File No. EB-2019-0049 - 2020 Cost of Service Application
Kitchener-Wilmot Hydro Inc. - Licence No. ED-2002-0573

Dear Ms. Walli:

On November 27, 2018, the Ontario Energy Board (the "Board") issued a letter to all licensed electricity distributors in which it identified the list of distributors expected to file a Cost of Service Application. In Appendix A of that letter, Kitchener-Wilmot Hydro Inc. (KWHI) was scheduled for rebasing for rates effective January 1, 2020, with a filing date of April 26, 2019.

Subsequently, on April 24, 2019, KWHI advised the Board that it would be delayed in filing its Application and would be submitting April 30, 2019. Accordingly, KWHI now submits its 2020 Cost of Service Application.

Two hard copies of the Application, along with a Confidential Filing package, as outlined in the attached letter, have been couriered to the OEB's offices.

Questions or concerns in this matter should be addressed to the undersigned.

Respectfully submitted,
