Dear Mr. Moran:

**Re: Request for late intervenor status  
Enbridge Gas Inc. - Application for 2019 Rates  
Ontario Energy Board File Number: EB-2018-0305**

This letter is in response to the Ontario Pipeline Institute Inc.'s (OPI) request for late intervenor status in the above-referenced application. OPI's intervention request was received by the Ontario Energy Board (OEB) on May 10, 2019. The deadline for requesting intervenor status was February 10, 2019.

OPI's concerns relate to impacts on contracts, prices and costs of natural gas producers.

Enbridge Gas Inc. did not object to OPI's request.

The OEB is satisfied that OPI has a "substantial interest" in the proceeding within the meaning of Rule 22.02 of the OEB's *Rules of Practice and Procedure* and is approved as an intervenor. OPI shall accept the record to this point.

Yours truly,
