To whom it may concern,

Please accept this letter as formal confirmation of my support for Metalore Resources Limited to construct a pipeline on my property (located on LOT 15, CONCESSION V, Charlotteville Township, Norfolk County) for the purpose to supply gas to the New Leaf Canada Inc. Walsh Facility, located on the south half of Lot 16, Concession 5, Norfolk County with a municipal address of 1195 Charlotteville Road 5, Simcoe, Ontario N3Y 4K1.

Mr. Armen Chilian, President and Chief Executive Officer of Metalore Resources Limited, has discussed the potential New Leaf Walsh Facility Project with me in considerable detail on January 2, 2019 when at which time we also discussed where to install pipeline. I have no objections to, and am in full support of, the New Leaf Walsh Facility Project, and the construction of a pipeline on my property for the purposes of supplying natural gas thereto.

Sincerely,

A handwritten signature in black ink, appearing to read "John Cooper". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
