June 18, 2019

To whom it may concern,

Please accept this letter as formal confirmation of my support for Metalore Resources Limited to construct a pipeline on our properties, located on LOT 13, CONCESSION V, and LOT 16, 17 and 18, CONCESSION IV, Charlotteville Township, Norfolk County for the purpose to supply gas to the New Leaf Canada Inc. Walsh Facility, located on the south half of Lot 16, Concession 5, Norfolk County with a municipal address of 1195 Charlotteville Road 5, Simcoe, Ontario N3Y 4K1.

Mr. Armen Chilian, President of Metalore Resources Limited, has discussed the potential of the New Leaf Walsh Facility Project with me and Jorden Hughes, our farmland representative, has indicated where exactly for pipelines to be installed, on both properties. I have no objections to, and am in full support of, the New Leaf Walsh Facility Project, and the construction of a pipeline on my properties as directed for the purposes of supplying natural gas to New Leaf.

Sincerely,

Scott Biddle
