Dear Ms. Kirsten Walli, Board Secretary

**Re: EB-2019-0068 – Synergy North Corporation**

Dear Ms. Walli:

**Delay in Filing- Application to the Ontario Energy Board for Electricity Distribution Rates effective May 1, 2020.**

On July 15, 2019, the Ontario Energy Board (“the OEB”) issued a letter identifying electricity distributors scheduled to file “2020 Incentive Rate-settling Mechanism Distribution Rate Applications”. Synergy North Corporation was included on this list in Tranche 2, with a filing deadline of October 15, 2019 for rates effective May 1, 2020.

Synergy North Corporation has been working diligently on its Application for Electricity Distribution Rates effective May 1, 2020 and takes very seriously the importance of adhering to the Board’s filing requirements and deadlines.

Regrettably, Synergy North Corporation will not meet the October 15<sup>th</sup> filing deadline.

Synergy North anticipates that it will be in a position to file its completed Application on or before October 25, 2019.

Please do not hesitate to contact me at (807) 343-1118 with any questions.

Regards,

Cindy Speziale, CA, CPA
