Dear Mr. Pavao:

**Re: Elliott Cogeneration Inc.
Application for Electricity Generation Licence
OEB File Number EB-2019-0293**

The Ontario Energy Board (OEB) received Elliott Cogeneration Inc.'s application for an electricity generation licence on December 03, 2019. The OEB has assigned file number EB-2019-0293 to the application. The application will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the *Ontario Energy Board Act, 1998* (Delegated Authority). The Delegated Authority intends to make a decision on the application without holding a hearing.

The OEB has preliminary reviewed your application. Your application is currently incomplete and cannot be processed until the following has been filed:

Section 8. Intended Services and Markets.

In this section, you've stated that Elliott Cogeneration Inc. intends to sell electricity into the IESO administered market.

Please indicate whether Elliott Cogeneration Inc. has any power purchase agreements with the IESO. If yes, please provide details. If no, please explain how you intend to participate in the IESO administered market.

Section 9. Facility Description

1. This section of the application requires the applicants to provide the facility name and address. This information has not been provided. Please provide the facility name and address.
2. Please indicate whether Elliott Cogeneration Inc. intends to sell ancillary services. If your answer is yes, please describe the ancillary services.

Section 10. Facility History and Status

This section of the application requires the applicants to provide a list of all other [than the OEB licence] regulatory approvals and to identify the status of each approval. This information has not been provided. Please provide the required information.

Section 13. Finance

Based on previous experience with similar applications, information provided in this section is not sufficient to evaluate financial viability of the applicant. Please provide pro forma financial statements (income statement and balance sheet) for at least two years accompanied by the notes explaining all assumptions used in preparing your pro forma financial statements. The pro forma financial statements must be signed by the key individual.

Section 14. Technical Resources

Please describe AB energy Canada Ltd. and services that this company will provide to Elliott Cogeneration Inc.

The OEB will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the OEB may close the file for this application.

Once your application is complete, the Delegated Authority expects to issue a final decision on your application within 60-90 days.

In the event the Delegated Authority decides to deny or otherwise modify the relief you requested in your application, you will be given an opportunity to provide comments.

The Delegated Authority will consider your final comments, if any, prior to issuing a decision and order.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Registrar. Electronic copies should be e-mailed to registrar@oeb.ca.

Any questions relating to this letter or your application should be directed to Irina Kuznetsova, Advisor at +1 (416) 440-8138 or Irina.Kuznetsova@oeb.ca. Please refer to the OEB file number noted above in all future correspondence to the OEB regarding your application.

Yours truly,
