Dear Ms. Long:

**Re: EB-2018-0242 and EB-2018-0270 – Hydro One Networks Inc./Peterborough Distribution Inc./Orillia Power Distribution Corporation – MADDs Applications**

I am acting for the Consumers Council of Canada (Council) in the above-referenced proceedings. Intervenor argument is due on December 20, 2019. The Council is seeking an extension to file its argument at a later date for health reasons. I am suffering from a bad cold and have recently been diagnosed with a fractured spine, which is causing me a great deal of discomfort and making it difficult to work. Given we are entering the holiday season, we are proposing January 3 for the filing of our argument. Please let us know if this is acceptable to the Ontario Energy Board.

Yours truly,

*Julie E. Girvan*
